Columbia, N.C.

The '76 Columbian Staff has endeavored to present in this issue of the Columbian a true picture of the 1975-'76 year at Columbia High School. In doing so, we have been conscious of the significance of the year '76 and have tried to show a little of the development and beauty of our county and school. With the constant growth of education in our county since 1776 in mind, we dedicate the 1976 Columbian, to all those who through the years have labored so untiringly to make CHS what it is today.

Academics

1776 — No public schools in Tyrrell County, perhaps some private tutoring in homes. Much later small school buildings like this one-room Fort Landing School in Alligator began to appear in the different communities. The curriculum — reading, 'riting, 'rithmetic. 1976 — Many Buildings, much equipment and material, a hard-working, dedicated administration, a concerned and capable faculty, an enthusiastic student body, and a curriculum — well, to say the least, varied.

Sports

1776 was a year of hardships, difficult decisions, and beginning warfare, but then, and in the intervening years, there was time for fun and games — three of which are shown here.

Varsity Football

Billy Taylor, Golden Simpson, Head Coaches

Columbia High School had a new coach this year, Billy Taylor, a graduate of East Carolina University. Mr. Taylor had high hopes for the team this year, but bad luck, and an inexperienced offense stopped the team from having a successful year. Many boys gained valuable experience and should be able to spur the team toward a winning season next year.

Underclassmen

The statue on the courthouse grounds is a landmark in Tyrrell County. Although it commemorates the memory of our fighting men in one particular war, it also serves as a constant reminder of the sacrifice and bravery of those who have fought through the years to gain and maintain our independence and freedom.

You are one of the nicest and best looking girls in the school. On the basketball team you were one of the best players. The best thing about you is that you have a lot of mouth (smile), but that's the best part about you.

I hope the best for you and Jerry, may all success be yours. I hope you have a lot of fun May 8, because I am. I know one thing about you, you are one of the best friends I to ever have.

Merida,
I don't know you that well,
but I think I know you well
enough that if you keep practicing
you will become a superstar
in basketball (smile) I hope
you all the success and happiness
the world has to offer you.

Dear Charlotte
I have written you most
lovingly and tenderly
and I hope you will
write to me soon
and let me hear from
you.

"Rhonda"

You are one cousin who I will never forget. We have had good times and bad times, but I still like to be around you. Seem like you are the only one I can really talk too and know I can trust you. I will never forget you because of your mouth. We are most like each other in some ways. But I am griter. After I leave you this year I know you will be lonesome. Your clothes fit me nicely. Thank you for sharing them with me. You have quite a temper, but I guess it can't be helped. Always remember that 12:00 is time enough for you to be in. You won't have me to go out to "Livings" with but I guess you will find someone else to take my place. All I want you to do is to remember me when I am gone, and be sweet for you are the cousin ~~who~~ who I will never forget.

Love
